How did you learn of South Paw Acres? _____

In applying to volunteer at South Paw Acres, I realize that the work may involve some physical activity and use of good judgment on my part. I am aware that dogs can be unpredictable, especially in group settings, and that the nature of working and playing with dogs can lead to getting dirty and/or wet. I feel confident that I can manage a small group of socialized dogs, given proper instruction by SPA staff. I do not hold South Paw Acres LLC liable for any injuries or accidents to me that occur while volunteering. I agree that the information I have outlined here is accurate to the best of my knowledge and beliefs, as of the date signed below.
